

## BECOME A FRIEND OF ST PAUL'S

St Paul's Church, New England needs friends & support !

We need people who value St Paul's - the church, the ministry past and present and especially people who want to make sure that St Paul's has a future.

You may have family connections with this area, through the Church (Weddings, baptisms, etc) or the Scouts & Guides. Although people move away it is good to keep a link and we would like to encourage those links. To keep aware of our special events or services why not subscribe to our monthly St Paul's Magazine at 50p a copy. It can be posted to you. Perhaps you can help the church financial needs by a regular gift (if a taxpayer you can Gift Aid); come along to support events; or come to special services such as Easter, Christmas, Service for the Bereaved or our Renewing of Marriage Vows service. Help us get to know you better. Our current major fund raising is to pay for the new Tower Cross & Bell refurbishment work done.

OFFER to help with the maintenance of the church, the Church Hall and the grounds; or perhaps give money for flowers in church to remember a special person or anniversary; We would especially ask for your prayers for the ongoing work and life of the church, the parish and the community.

Contact us so that we can help you - maybe you would value prayer for yourself or someone else you know not well or in some kind of need. St Paul's seeks to be relevant to the community in New England and beyond. Please contact the Rev Ron Watkinson, St Paul's Vicarage, 414 Lincoln Rd, Peterborough PE1 2PA. Tel: 01733 314117  
[revronkingdomyouth@btinternet.com](mailto:revronkingdomyouth@btinternet.com)

Cheques payable to Peterborough St Paul's PCC. Please either fill in & return the slip or contact Rev Ron direct. Gift Aid if possible.

**RETURN SLIP to Become a FRIEND OF ST PAUL'S**
